INSURANCE DISCLAIMER

Thank you for choosing Accuvision Eye Care inside Target. We really appreciate your business!

Because we accept a wide variety of insurance plans with many kinds of restrictions imposed by the insurance companies, we want to make sure you understand your responsibilities as an insurance-based customer. We will make our best effort to work with your insurance plan.

You are responsible for:

- Confirming that you are currently eligible for the insurance benefits;
- Providing us with the most current information about your coverage;
- Informing us of any co-payments that you are required to pay.

The provisions of your insurance policy may change from one date of service to the next. Please make sure that you are aware of changes so that you can maximize your current benefits. Your insurance company can assist with this.

Sometimes, following an examination, an insurance carrier may not reimburse us for the expected amount (e.g. because you are no longer covered or because you purchased a non-covered item/service). If this happens, you will be responsible for the unpaid balance; this will be billed directly to you.

We apologize that the complexities of vision insurance makes it necessary for you to confirm your understanding of this policy. Your signature below indicates that you understand and comply with our Customer Responsibility Policy.

Thank you for giving us the opportunity to satisfy your eye care needs.
